

## SERVICES PROVIDED

There are clinics throughout King County that provide some or all of the following services. Many have reduced fees adjusted according to household size and income. Most clinics accept DSHS Medical (ProviderOne) or Medicare and people without insurance. Call the clinic closest to you for an appointment or for more information about the services they can offer you.

- ✓ Complete medical care for the whole family
- ✓ Family Planning and women's health care, including pregnancy testing
- ✓ Treatment for sexually transmitted diseases (STD)
- ✓ WIC food and nutrition programs
- ✓ Interpreters for those who speak limited English

### Over 40 and uninsured?

Women ages 40-64 may qualify for free breast and cervical cancer screenings.

Men and women 50-64 may qualify for free colon health screenings.

Income limits apply.
